# Seventeenth Century Census Substitutes

### Summonister Rolls, 1610-84

These were copies of fines imposed and recognizance's forfeited at Assizes, Quarter Sessions and in the King's courts. Among the reasons for the imposition of fines was non-appearance at court. Names and residences are recorded. The original rolls were lost in the destruction of the Public Record Office of Ireland in 1922 but copies of some, mainly for Counties Londonderry and Tyrone, have survived. (PRONI Reference **T808/15090, 15120, 15126, 15130 -15135, 15139 and T/1365/2**)

### Muster Rolls 1630

These contain lists of the principal landlords in Ulster, and the names of the men they could assemble in an emergency. They are arranged by county, and district within the county. (See 'Your Family Tree' Leaflet: 12 - Militia, Yeomanry Lists and Muster Rolls for details)

### Books of Survey and Distribution

Compiled around 1680 as a result of the wars of the mid-seventeenth century when the English government needed reliable information on land ownership throughout Ireland to carry out its policy of land distribution. The Books of Survey and Distribution are laid out on a barony and parish basis and include a record of land ownership before the Cromwellian and Williamite confiscations as well as the names of the individuals to whom the land was distributed. PRONI Reference **MIC532/1-13**.

### Civil Survey of Ireland

Sir William Petty's Civil Survey of Ireland, compiled between 1655 and 1667, contains lists of the principal landlords of each townland as well as their predecessor before the Cromwellian confiscations of 1641. It contains a great deal of topographical information arranged by county, barony, parish and townland.

Unfortunately, very little of this survey survives, although Co. Londonderry and Co. Tyrone are available. PRONI Reference **T371**.

## Census of Ireland c.1659

This census of Ireland was compiled by Sir William Petty and published by S Pender. It contains only the names of those with title to land (tituladoes) and the total number of English and Irish resident in each townland. Five counties – Cavan, Galway, Mayo, Tyrone and Wicklow – are not covered. It was published by S Pender, a copy of which is in PRONI. See the following:

## Hearth Money Rolls

Arranged by county and parish, they list the name of the householder and the number of hearths on which he was taxed at the rate of 2 shillings on every hearth or fireplace. The tax was collected over areas known as 'Walks' and based on the town. The 'Lisburn Walk', for example, covered a large area of the south of Co. Antrim and NOT merely Lisburn town.
