

# Dunleath Papers (D1167 and D4179)

## Summary

*Lord and Lady Dunleath*

The Dunleath Papers fall into two categories: an estate archive (D1167) comprising c.100 volumes and c.4,000 documents, 1765-1970, deposited over the years by successive Lords Dunleath or their agents and representatives; and a personal archive (occupying 22 PRONI boxes and running to c.15,000 documents, mostly in original files or folders) deriving from the 4th Lord Dunleath (1933-1993), deposited in 1998 by his widow, Dorinda, Lady Dunleath (D4179).
