

## Terms and Conditions for Use of WiFi in PRONI

1. The service is provided strictly for legitimate research purposes.  
Users must not access any illegal or other site which could cause offence to any member of staff or other PRONI visitor.
2. Visitors must not use the service to create/transmit offensive or harassing material over the internet.
3. Visitors must not use the service to perpetrate any form of fraud, software, film or music piracy.
4. Virus protection – Visitors are responsible for ensuring that their personal equipment is secured against virus or other malware attack.  
PRONI will not accept responsibility for loss of data or facility arising out of use of the service due to such attacks.
5. Visitors should be aware that the Internet is not a secure medium, and that third parties may be able to obtain information regarding their activities
6. Visitors must not download commercial software or any copyrighted materials belonging to third parties, unless this download is covered or permitted under a commercial agreement or other such licence.
7. Monitoring of Use – PRONI does not “harvest” personal data through use of the service; PRONI DOES reserve the right to monitor use of the service.

*Visitor Number*

I confirm that I have read and understood the above Terms and Conditions.

I agree to abide by the Terms and Conditions in relation to the purpose for which I will access the internet during my visit to PRONI and that I accept full responsibility for ensuring that the personal equipment I use to access the internet has suitable and up-to-date protection against virus attack and other adware/malware.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

*Note: IT support for visitors will be very limited as IS Unit cannot take responsibility for reconfiguring visitor equipment as this may adversely affect other settings. However, should a visitor experience connection difficulties a member of IS staff – if available - may make suggestions as to source of problem.*
