## Voters', Poll And Freeholders' Records

Freeholders List c. 1740  
(PRONI Reference **D/1928/F/1A**)

Voters', Poll and Freeholders' records are lists of people entitled to vote, or of people who actually voted at elections. They are normally arranged on a county basis.

Poll books record the actual votes cast at parliamentary elections. They contain the name and address of the voter and often the address of the 'Freehold' which entitled the voter to his vote. Voters Lists and Freeholders registers give similar information to the Poll books but do not record how people voted at a particular election.

From 1727 to 1793 only Protestants with a freehold worth at least 40 shillings per year had a vote. Between 1793 and 1829 both Protestants and Roman Catholics with 40 shilling freeholds had votes. In 1829 all 40 shilling Freeholders lost the vote.

The most generally useful Poll books and Freeholders' registers are:
