To the Rt Hon^{ble} & Hon^{ble} the Commons of Ireland in
Parliament assembled

The Petition of the Mayor Aldⁿ Sheriffs and
and Burgesses in Common Council assembled
Sheweth

That your petitioners observe that certain proposals
for arranging the commercial intercourse between
Great Britain & Ireland which had passed the Irish
Parliament, have been altered in such a manner & so
many new ones added by the British House of Commons
as in our apprehension render them totally irreconcilable
to the dignity and interest of this Kingdom

That these propositions appear to involve
such vast variety of complex matter, & comprehend
so many new objects that they require the most mature
and deliberate discussion

That on a subject in which the constitution
and commercial rights of an independent Kingdom
are so deeply interwoven, the utmost caution should be
observed, and sufficient time given to the Merchants
and Manufacturers of Ireland to consider a system w^h
is to bind this nation for ever

That impressed with these sentiments your
petitioners humbly pray that the consideration
of 3 propositions may be postponed until
next session of Parliament
